

Your Trusted Onshore Electronics Contract Manufacturing Partner

CO-AX Technology is a premier **onshore electronics contract manufacturer** headquartered in Cleveland, Ohio. Operating from a 114,000 sq. ft. facility with three shifts and growth capacity, we deliver **exceptional quality products from NPI to full-scale production**. For over 30 years, we have provided advanced manufacturing solutions for a wide range of industries. Discover why leading brands trust CO-AX to bring their most innovative products to market with speed, precision, and reliability.

PCBA MANUFACTURING

- SMT and THT printed circuit board assembly
- BGA, uBGA, and 01005/0402 component placement
- AOI, SPI, and X-ray inspection protocols
- Wave and selective soldering
- Conformal coating and potting
- ICT and FCT

FINISHED PRODUCTS / TURNKEY BOX BUILDS

- Complete PCBA, cable, and enclosure assemblies
- System development and testing
- Efficient cell-based integration
- Merchandise assembly and packaging

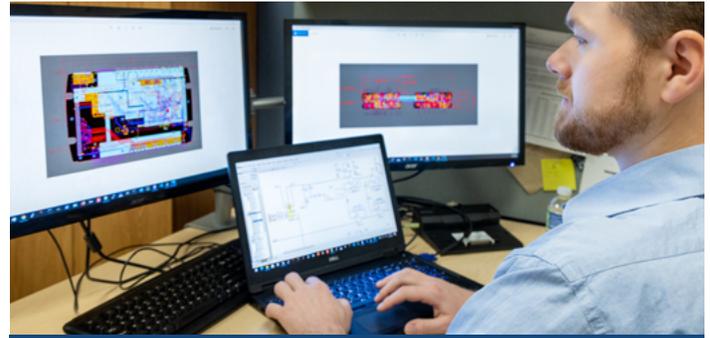

QUALITY ASSURANCE

- ISO 9001:2015 and ISO 13485:2016 Certified
- FDA Registered
- UL Certified
- RoHS and REACH Compliant
- IPC-A-610, IPC/WHMA-A-620, IPC-J-STD-001, and IPC-7711/7721 Certified Employees

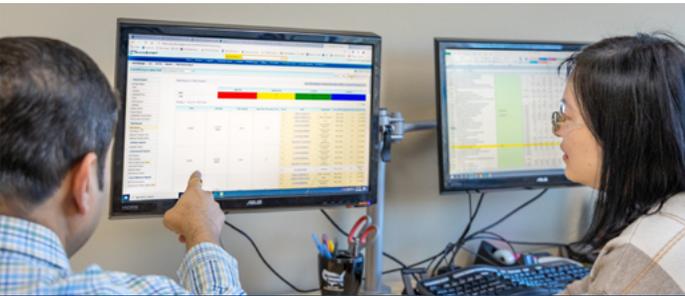

DEDICATED NPI SERVICES

- Documentation review and verification
- SiliconExpert®* lifecycle analysis
- DFM assessment
- Detailed work instructions
- FAB and FAI
- Testing and qualification

DESIGN ENGINEERING SUPPORT

- Circuit board schematic and layout design
- Software and firmware engineering
- Mechanical design and sourcing assessment
- Test fixture design
- DFM and DFT evaluation and recommendations

SUPPLY CHAIN MANAGEMENT

- Strategic sourcing, extensive supplier network, and tariff management
- Product lifecycle planning and cost optimization
- Lot and component traceability
- Labor and product yield management
- Safety stock programs

LOGISTICS SERVICES

- WMS integration
- Strategic inventory management
- Warehouse management operations
- Kitting and packaging
- End-to-end order fulfillment and shipping

Partner with CO-AX for your next project and experience the difference that comprehensive manufacturing solutions can make. [Contact us today](#) for a consultation and quote tailored to your specific requirements.
